INTENTIONAL WELLBEING PACKAGE: NEW TO HEADSHIP

WHO'S IT FOR?

HTs in their first Year of Headship who desire coaching with a wellbeing focus & would like to develop a supportive network of like-minded Headteachers

COACHING WITH HEADSUP4HTS

The unique sessions provide a safe, confidential and non-judgmental space, where Headteachers in their first year can share their challenges and successes, seek support from colleagues and reflect positively on their impact as school leaders. We focus on the whole person, within and beyond their job title, taking a holistic approach that is focused on wellbeing & personal growth, strength & joy.
